Contemporary Art Premium Positioning

At [Catawiki](#), we auction a wide selection of Modern & Contemporary paintings, prints, works on paper, mixed media and sculptures.

We focus on items that are hard to find and commercially appealing to [passionate art enthusiasts and collectors](#).

This expert selection helps **keep our bidders excited** because they can find rare, special **pieces they're interested in**. But, of course, this also helps our **artists to have a great selling experience**.
